Subject: Approval of Name Change and Increase of Reclamation Surety, Got Named Inc., Solar Wind Mine, S/023/0061, Juab County, Utah

Dear Mr. Fuller:

The Division of Oil, Gas and Mining finds your amended notice of intention (Notice) complete and approves the reclamation surety for the Solar Wind Mine. You are now permitted to conduct small mining operations on one acre as outlined in the Notice provided you have written approval from the Bureau of Land Management and any other appropriate agency.

The total reclamation surety has been increased to \$7400.00. Of this amount, \$6365.00 is held by the BLM, and the Division holds \$1035.00 in the form of cash on deposit through the Utah State Treasurer.

Please keep in mind that you will be under the same obligations and standards as with the original Notice. The Division's web page at <http://ogm.utah.gov/> under the Mining Program has a link to the rules under which you are expected to operate and to other information to assist you in complying with program requirements. Thank you for your cooperation. In reply, please refer to file number S/023/0061. If you have questions or concerns regarding this letter, please contact Paul Baker, Minerals Program Manager at 801-538-5261 or Wayne Western at 801-538-5263. Best wishes with your mining venture.

Sincerely,

Paul B. Baker
Minerals Program Manager
